The partnership signed between the CBKB and CBDU has a date to debut: Brazilian University Fight Games, JUBs Lutas - 2020.

The city of Trindade, Goiás, Brazil, will host specific competitions in eight sports and Kickboxing is guaranteed to be present through CBKB, from April 29 to May 3 (the date of kickboxing competition still to be defined and should focus on two days of activities, one for weighing and accreditation and the other for competition).

"The CBDU is very eager to work with CBKB and the sport of Kickboxing, and so are we. This will be an excellent opportunity for our athletes to start in a very important sports division worldwide and can be the gateway to continental events, since the vice president of CBDU, Mr. **Alim Maluf Neto** is the president of FISU América and will be present on the occasion ", declared the president of CBKB and WAKO Panam, Mestre **Paulo Zorello**.

## WORLD ASSOCIATION OF KICKBOXING ORGANIZATIONS

TO ALL WAKO PROMOTERS

Monza, March 13<sup>th</sup>, 2020

RE: WAKO EVENTS

Dear Promoter,

These are unique times we live in and difficult to say the least, as many of us have had no option to cancel our events, I do understand the stress and difficulty this presents to you and your teams.

Many of you have indicated a rescheduling, I would like to remind you that we have already a very full calendar of events later in the months of September, October and November 2020 and if you propose any dates they will need to be confirmed and coordinated by WAKO IF to ensure we have no additional impact on continental and world championships. Also many National federations like Ireland have now postponed their national championships to later in the year, so it is going to be very difficult to find space. And at this stage it is impossible to see how long this issue will impact our world, so we must in principle look to 2021.

I remain at your disposal, should you require clarification.

Best regards,

Roy Baker  
WAKO President
