Bestfighter Wako World Cup

13 / 16 June 2019

Rimini – Italy

Official Invitation

President FIKBMS

Mr. Donato Milano

Dearest friends,

I'm proud to renew your usual invitation to the next "Bestfighter".

Renowned international event that has contributed since its origins to the development of an innovative and effective format for the practice and high-level dissemination of Kickboxing disciplines under the aegis of the WAKO, the World Federation of reference recognized by the IOC.

A format borrowed everywhere, an event that every year show us new details, technological innovations, and disciplines. In fact, in recent years we have witnessed an ever-increasing participation of Ring Sport athletes with an excellent level who contribute to making the conquest of the top positions in the standings ambitious. Position that assigns a score that helps to define the Best Fighter of the various disciplines of WAKO.

Last born, but already of great impact, is the inclusion of the competitions reserved for the "Children" in Pointfight style. Dedicated space and great attention to our very young Champions to whom the whole sports world looks with great interest.

To all this we add the splendid scenery of the Adriatic Riviera in that of Rimini known throughout the world, famous for the Art of Hospitality "of kindness, of the renowned cuisine.

A show whose direction is entrusted to the skilled hands of the creator of the format, the Master Gianfranco Rizzi, Master and Technician of great depth, a deep knowledge of our disciplines and "maniac" of perfection, of details.

In short, an explosive mix of ingredients, a tournaments that should not be missed:

SEE YOU IN RIMINI MY FRIENDS, I will be there

News: this year as you will see from the website, there are many news that we have adopted following your suggestions; both in the program (days and times) that tends to facilitate your travels, both in the organization.

There are changes in the categories; check the "Division & Categories" section on Sportdata. This year, in harmony with Italian Federation and Wako, we are proud to propose the **Children Category** (Children aged 8 and 9, only in the Pointfight); these classes are intended as EXPERIMENTAL and the very young will be particularly protected, and in agreement with the National Medical Committee, they will compete with the Helmet with visor and bodices.

Referees: as you know, for many years we have been trying to have a high standard in the quality of the referees who are summoned to the Bestfighter. In particular, in the last three editions, thanks to the excellent work of the CNA, the convocations have been increasingly reserved for the class "A" Referees of international level. We want to continue on this path to offer a better service to our athletes. The class "A" referees who wish to contribute their support to the Bestfighter 2019, are requested to contact the following Chief: Marco Pacor and Sami Savo (Ring) and Oriano De Bei / Manuel Doria (Tatami).
