About WGP

WGP is the biggest event of standing fights in the country and it was created in 2010 by Confederação Brasileira de Kickboxing - CBKB to motivate the modality. The event was created using big international events as basis, like K-1 and Glory. The fights happen only when the fighters are standing on their feet, which makes it more dynamic and attractive. Following the preferences of the public who watches and participate in events of martial arts.
