Great service to our athletes

We had 2 Chiropractors from FICS available the whole week of competition from morning to evening. Over 200 athletes got treatment in addition to coaches and staff. Chiropractic service, guidance, rehab exercises, tape job, footwear, nutrition.

Active Athlete Committee

Delegates from our Athlete Committee played an active role during the tournament talking to athletes and coaches. A leaflet was handed out.

Paulina Aleksandra Jarzmik was one of our committee members during the week combining her duty with coaching athletes.

An attractive place to take photos

Fair Play is essential

During the Championship week WAKO had a Fair Play campaign continuously influencing athletes, referees, officials and coaches. Hundreds of pictures was taken and information handed out continuously focusing on Fair Play, attitude and respect

Fair Play is essential

Thank you!

You all made it possible – You rock!!!!
