It is with the greatest pleasure that I welcome you to the 4th International Turkish Open in Antalya, Turkey. Kickboxing is one of the top four sports in Turkey, and it continues to grow each year. Since its inclusion into the Class A Kickboxing World Series, the Turkish Open became one of the biggest kickboxing tournaments with the highest number of participants in ring disciplines in the world. This tournament is an amazing opportunity for our country to see the great variety of branches and the amazing quality of fighting around the world. New this year, are the money awards that will be given to various categories and branches.

I am sure you will love the beauty that you will find in the Mediterranean region of Antalya. There are so many things to do and see here since it is one of the major touristic resort areas of the

world. Dates of the tournament will be in spring and we would find average temperatures around 20°C. I hope that you will find time to see and enjoy this part of the country. You won't be disappointed!

The tournament will begin with the weigh-in on Thursday, April 4 2019 along with the team fights in the evening. Competition will continue with all weight classes for each of the divisions from Friday to Sunday. There will be 12 fighting areas, including 8 tatamis and 4 rings, and a practice/warm up area for your preparations. Since the tournament area and hotel are together, the full board will keep you eating well during your stay and keep you ready for your fight. I wish you all safe travels and a very successful and memorable tournament.

I look forward to see you in Antalya this April!

Best Regards  
**Salim KAYICI**  
President Of Turkish Kickboxing Federation  
Vice President of WAKO Europe
