Monza, 16th September 2021

WAKO World Championships Final Update:

It is **IMPERATIVE** that you read and understand this protocol in its entirety. There will be **NOT** exception to the rules. Not know or not understanding will not be acceptable as an excuse, we are in special times and must protect the integrity of the majority and entire program of sport for the full week.

The LOC has organized that there is **NO** requirement to quarantine when entering Italy for the championships.

PROCEDURES FOR ANTI COVID-19 SECURITY CONTROL **Applicate to all participants at championships**

The Ordinance of 28 August 2021 valid until 25 October 2021 issued by the Ministry of Health explains in detail the procedures for entering the national territory of foreigners: www.salute.gov.it

Important news for the World Championship, therefore a sporting event recognized by Federkombat, CONI and WAKO, is contained by clicking on the **Exemptions DEROGHE** button. It is well highlighted that all delegations that will take part in the event must **NOT** be quarantine.

The indications of the Ministry of Health are reported. Exemptions activated only with self-declaration without the need for authorization from the Ministry of Health.

We report what has been published on www.salute.gov.it - click **New Corona Virus** to follow click Topics: **Covid-19 - Travelers** click **Exemptions (DEROGHE)**

"Exemptions for admissions for national sports competitions that take place in Italy"

"Participants in competitions that take place exclusively on the Italian territory and that meet specific conditions identified in Article 18 of the Prime Ministerial Decree of 2 March 2021 can benefit from this exemption.

Each beneficiary must fill out the [Passenger Locator Form](#) - Digital localization form - before entering Italy, therefore it is not necessary to request this exemption from the Ministry of Health.

Particularly

- The current legislation applies to the entry of athletes, technicians, judges, race officials and accompanying persons, representatives of the foreign press for participation in sports competitions that take place in Italy and comply with the provisions of art. 18, paragraph 1, of the Prime Ministerial Decree of 2 March 2021.*
- It is mandatory that in the **48 hours** prior to entry into Italy, the aforementioned categories have undergone a molecular or antigen test, carried out by means of a swab and negative result.*

Entries are also allowed from those countries from which entry into Italy is prohibited as per art. 49 paragraph 5, of the Prime Ministerial Decree of 2 March 2021.

The reference organizations for this exemption are CONI and CIP (Article 18, paragraph 1). Participants are required to comply with the protocols issued by the respective national and international sports federations, associated sports disciplines and sports promotion bodies.

Therefore, all Delegations leaving for Italy must follow the following:

Requirements for entry into Italy

- fill in the [Passenger Locator Form](#) before departure and present it to anyone in charge of checks
- submit the COVID-19 Green Certification in one of the following languages: Italian, English, French or Spanish; the Certification must certify one of the following conditions:
 - a) have completed the prescribed anti-SARS-CoV-2 vaccination course for at least 14 days, **or**
 - b) be cured of COVID-19 (the validity of the certificate of healing is 180 days from the date of the first positive swab), **or**
 - c) having undergone a **molecular or antigenic swab carried out in the 48 hours** before entering Italy with negative results. Children under the age of 6 are exempted from taking the pre-departure swab.

An Anti Covid19 Health Control Plan is planned in line with:

1. The Health Protocol of the WAKO Medical Commission;
2. The Ordinance of the Ministry of Health;
3. The Guidelines of the Department of Sport of the Italian Government;
4. The Directives of the Italian Olympic Committee (CONI);
