

5th WAKO WORLD CHAMPIONSHIPS I

Date: November 2, 1985

Site: Wembley Centre, London, England

Producer: Joe Johal

(Note: Due to temporary political differences, the WAKO split into two factions and conducted two world championships on the same weekend in 1985. The split lasted only one year and the two factions merged again in 1986.

For the purpose of thoroughness, the results of both events are presented here. Neither event provided an overall medal standing, but both events for the first time added women's semi-contact competition. The London event also introduced forms competition for the first time.)
